

Mayank Kumar (mayankdhruv42@gmail.com)

## Education:

B.Tech in Computer Science Engineering, 2023–2027

Bennett University

Specialization: Artificial Intelligence

## Work experience:

August 2024-Now: Machine Learning Engineer

Oryx AI(Stanford based stealth startup)

Palo Alto,California(Remote)

August 2024-Now: Research Internship

National University of Singapore(Remote)

Advisor:Tan wee kek

Working on Mental health support AI Integrating LLMs with speech and Facial Expression

June 2024: Research Internship

National University of Singapore(On campus)

Worked on NLP,Bidirectional LSTM,AWS services like (aws glue,sagemaker)

## Skills:

Computer Vision

Language Models

LLM Fine tuning

Vision Language Models

Pytorch and Cuda
